Call the Helpline on **0303 123 9999** to sign up for the braille, audio, large print or email formats. If you're online you can also subscribe to our regular **eNewsletter** at **shop.rnib.org.uk**

# Lighting

Good lighting can make any task easier and we've got a wide range of lights. Choose from floor lamps to magnifying lights and portable lights like this one:

## Daylight Smart clip-on light (DH418)

This extra lightweight clip-on lamp makes a great companion for crafting, reading or providing extra light in a wardrobe. The flexible arm can be easily directed to where the light is needed.

# Kitchen

Whether you want to whip up the perfect Victoria sponge or just make a cup of tea, check out our kitchen range.

## Boil alert (DK28)

Placed in the bottom of a saucepan, this small stainless-steel disc will rattle when your water reaches boiling point.

## Talking kitchen scales and easy-to-see measuring jug set (DK152)

This modern set of talking kitchen scales comes with an easy-to-see measuring jug. As well as bold markings, the jug has an easy-grip handle. Measure by weight or volume (up to 5kg or 1,300ml) and hear the result in a clear male English voice.

## RNIB Liquid level indicators (DK127 and DK139)

Our liquid level indicators have been helping people with sight loss get their morning cuppa for more than 25 years. Simply place on the side of a cup and a series of audible beeps will let you know when the liquid nears the top. The DK127 indicator also vibrates. Can be used with both hot and cold liquids to fill pots and pans, kettles and glasses. Our rechargeable Glowmat (DH99) is handy to pop on your bedside table to locate your drink in the night.

# Health and wellbeing

Look after yourself with our range of healthcare products. Keep on top of medication routines, make sure your hair is just the way you want or check your weight.

## Super 8 daily pill organiser (DH308)

Stay on top of your medication routine with this pocket-sized pill organiser. It has both audible and visual alarm reminders, which you can set to alert you up to eight times a day. The clear screen displays digits measuring 2cm high.

## Talking bathroom scales (DH366)

These talking bathroom scales announce your weight in a natural English female voice and weigh in either metric (kilograms/grams) or imperial (pounds/ounces). Your weight is also shown on the large LCD display, showing digits 3.5cm (1.4") high. Choose from four languages – English, French, German or Spanish. Must be used on hard flooring, not carpet.

## Opticare eye-drop dispenser (DH112)

Clip this dispenser on to your eye-drop bottle to make applying eye drops easier. Simple to use, the Opticare accurately and safely targets the eye and helps you to squeeze your eye-drop bottle with minimum pressure. Fits most round eye-drop bottles from 5-15ml and supplied with an adaptor to make it compatible with many non-standard bottles.

## Labelling

We've got many years' experience providing essential products to help you identify items around your home. Choose the mix of solutions that best suits you:

### RNIB PenFriend 2 audio labeller (DL110)

Our easy-to-use labelling device lets you record your own voice on to sticky labels which you can attach to a wide range of items, from spice jars to CDs and clothing to tinned food. Simply play back the

recording for easy identification. Comes with 127 mixed-size labels and 10 magnetic labels. You can buy more labels, including special laundry labels. The magnetic labels make handy reminders or notes to loved ones on your fridge door.

## Tactile bumps

Tactile bumps are small rubber adhesive buttons that provide you with a simple and effective way to label everyday items.

Add them to your washing machine to identify the different settings and functions and to your oven/hob dials to mark different temperatures, or mark important keys on your computer keyboard.

Available in a variety of colours including clear, black and orange. Our small, round, orange flat-head BumperStops (DL25) are our bestsellers and provide great contrast.

# Clocks and watches

Whether you're catching the bus, going on a hot date or heading to the dentist, we'll do our bit to keep you on time with our range of clocks and watches. Whether you want an easy-to-see, tactile or talking timepiece, we've got something to suit your taste.

## **RNIB Communiclock (CC53)**

At the touch of one large button our talking calendar clock will announce the time in a natural male English voice.

Cube-shaped and without the traditional clock face, the simple design makes this clock easy for everyone to use. Press the button for longer and it will announce the time, date and day.

It's radio-controlled to automatically set the time for you, and has tactile buttons to set the alarm and calendar.

The battery compartment on the base is easy to open and if you would prefer to power the clock from the mains, a separate AC adaptor is available (CC53AC).

# Stationery

From easy-to-see lined notepaper and bold writing pens to large print and braille diaries, calendars and address books, we've a range of products to help keep you organised.

## Big Print wall calendar

Our A3 wall calendar gives a month-to-view on each page. Large bold print and two columns on high quality paper make it easy to use. The calendar is wire-bound and has a wire hook for hanging.

The Berol Colourfine (DW27) and Broad (DW29) pens are ideal for writing in your appointments and special occasions.

## Signature guide (DW42)

A black plastic frame that allows you to write your signature independently on cheques, letters and legal documents.

# Out and about

We offer a full range of canes – long canes, guide canes and symbol canes – as well as a range of eyeshields, which reduce glare and provide UV protection.

## Ambutech symbol cane

Increase confidence when you're out and about with a white symbol cane to highlight to other people that you are blind or partially sighted. This reflective, lightweight aluminium cane folds into four sections. Not to be used as a walking stick or support aid. Available in three lengths: 85cm (34"), 100cm (40") and 105cm (42"). Red and white banded symbol canes which highlight both hearing and sight loss are also available.

# Reading

Embrace your love of reading. For more information about our reading services call the Helpline on **0303 123 9999**.

## RNIB Library

Our free Library has more than 60,000 books in its collection – borrow a wide range of fiction and non-fiction titles in braille, audio and giant print. You can also borrow braille and giant print sheet music.

## RNIB Newsagent

Our Newsagent service provides a wide range of newspapers and magazines in audio and electronic text.

Plan your week's TV or radio choices with our **Big Print guides**; listen to your favourite magazines; and keep up with the news by getting your newspaper delivered to your inbox or on a CD through your letterbox.

### How to order

You can order online at **[shop.rnib.org.uk](http://shop.rnib.org.uk)** or call our Helpline on **0303 123 9999**.

Please note: some products in our range are non-returnable unless faulty.
